A detailed woodcut illustration of a peacock standing in a pond, surrounded by a decorative border. The border contains the Latin text "I. S. P. E. N. O. N. A. T. I. V. M." and is topped by a cherub's head. The peacock is shown in profile, facing right, with its tail feathers fanned. The pond is filled with lily pads and reeds. In the background, a city with a prominent church spire is visible on the horizon. The entire scene is enclosed within an ornate, scrollwork border. At the top center, a cherub's head with curly hair and a smiling expression looks down at the scene. The Latin text "I. S. P. E. N. O. N. A. T. I. V. M." is written in capital letters along the top and sides of the border. The bottom of the border features a decorative flourish. The overall style is characteristic of 17th-century book illustrations.
